PRE-ARRIVAL & ARRIVAL PROCEDURE

* If your child's costume needs alterations, please do this before Picture Day!

1. **Before you arrive**, please have your dancer put on his/her costume at home. Your dancer should wear the hairpiece that comes with her costume. Make sure your child has **NO** nail polish, temporary tattoos, marker on skin, or extra jewelry of any kind as they will show in the picture!
2. **When you arrive**, finish putting on costume accessories and dance shoes in your studio coat room.
3. Give your Picture Order Form (with money included) to the photography associate at the desk.
4. **Please go to Studio B first**, where Group Photos will be taken (if you do not want an Individual Photo, go to 5).
5. Next, go to Studio A, where Individual Photos will be taken.
6. Return to your studio coat room and smile. That's all! Photos only take about ½ hour. Thank you!
 - **PLEASE BRING ONLY DANCE STUDENTS TO THE PHOTOGRAPHY SESSION!**
 - **PARENTS, PLEASE, NO STREET SHOES ON THE WOODEN STUDIO FLOORS. Thank you!**
 - **ALL STUDENTS ARE INCLUDED IN THE GROUP PHOTO REGARDLESS IF PICTURES ARE PURCHASED OR NOT.**

Please have your dancer at the studio, dressed in costume and ready, at the time indicated. The Group Photo will be taken in costumes, with all accessories and shoes indicated by class.

Individual Photos will be taken **ONLY** of those purchasing them (using the order form) **IMMEDIATELY after** the Group Photo is taken. PLEASE PREPARE A SPECIFIC POSE FOR YOUR INDIVIDUAL PHOTO. There will be NO review of photos. If you are not satisfied, a full refund will be given. Photos will be handed out in class approximately three weeks after the pictures are taken. These photographs are an excellent way to record your child's accomplishments. THANK YOU!
